Your supervisor will be assigning you a **Red Emergency Backpack** with the above items. If you see that items are missing, please let Aiza Almario (x63368).

We suggest you personalize the backpack. Maybe add a pair of comfortable shoes, extra pair of glasses, bottled water, snack bars, etc..

The backpack belongs to your department. The day you leave the department, the backpack stays in your area for the next employee. Please make sure to remove any personal items added.
