

Office of the Administrative Vice Chancellor Office of the Vice Chancellor for Academic Personnel PreK-12 Programs and Schools

Dear Bruin Community:

We continue to look for ways to respond to your dependent care needs during this challenging time and are delighted to provide information on additional resources:

- We have recently created an [online destination](#) for dependent care needs with separate pages dedicated to [faculty](#), [staff](#) and [students](#).
- [Woodcraft Rangers' "UCLA Groves" \(PDF\)](#) is a new on-campus childcare program for children ages 5-10 at Royce Hall, run by a well-established organization. This program supports children with their remote learning during the school day and provides outdoor enrichment and activity in the afternoon. Registration is open and spaces are available. Hours are 8 a.m. - 4 p.m. daily.
- UCLA Early Care and Education (ECE) operates three centers for children 2 months through age 5, two on campus and one at the University Village Apartments. We currently have a limited number of spaces available and are always accepting applications. You can learn more about ECE centers and get an application on the [ECE Applicant Pool Forms, Fee Assistance](#) page.
- Bright Horizons at UCLA Westwood Child Care Center is now enrolling to fill limited availability. Visit the [Bright Horizons at UCLA Westwood](#) website and see its [Bright New Day \(PDF\)](#) and [Care and Education \(PDF\)](#) flyers.
- We have created the Bruin Bubbles Slack workspace so that Bruin families with similar needs can share ideas and ask each other questions. Families can join an existing channel or form their own within the workspace. If you are brand new to Slack, visit the [How to Use Slack](#) page for resources to help you get started. To join the Bruin Bubbles workspace, follow the steps below on a web browser:
 1. Go to the [UCLA Slack](#) website and sign in with your UCLA logon and password.
 2. In the left column, click on the "UCLA" drop-down menu and choose "Add workspaces," then "Find more University of California, Los Angeles workspaces."
 3. Type "bruin bubbles" in the search bar to find the Bruin Bubbles space, then click to join.

We continue to look for creative ways to support you with your dependent care needs and hope you find some of these solutions helpful.

Sincerely,

Michael J. Beck
